Name: Aaditya kumar Dhaka

Guide Name: Dr Sathya P

Date: From : 06/10/2025

To: 11/10/2025

Task Completed:

This week I successfully completed the data preprocessing and EDA pipeline. I refined the dataset further, removed inconsistencies, and finalized the clean version for model use. Additionally, I contributed to drafting and discussing SRS with my colleague to ensure all key features were correctly captured.

Task Planned:

In upcoming week, I plan to start working on the model development phase. My focus will be on preparing & implementing the DL models required for food recognition and nutrition prediction.
